RTD Discontinues Service on Memorial Day Holiday

(Stockton, CA) – On Memorial Day, Monday, May 25, San Joaquin Regional Transit District (RTD) will not operate its regular fixed route bus services, which include Stockton Metro, Metro Express, Intercity, Trolley, Hopper, and Commuter Routes.

RTD will be operating a limited lifeline Dial-A-Ride service by reservation on a first-come, first served basis at a premium fare of \$5.00 per one-way trip. Priority will be given to passengers who are elderly or with disabilities. Lifeline reservations must be made by 5:00 p.m. on Wednesday, May 20. Reservations will be limited to one round trip per passenger. For reservations, please call (209) 955-8400.

This action is necessary due to reductions in state funding, and is similar to RTD's operations on other holidays. RTD's holiday ridership is a fraction of regular service days, but with even higher costs. RTD's goal is to reduce costs while affecting the smallest number of passengers, thereby saving dollars for highly used service.

RTD will resume regular service on Tuesday, May 26.
