ROUTES 23, 63, 65, and 93
TEMPORARY BUS STOP RELOCATION
EFFECTIVE

Mid-day on Friday, March 19, 2010
(continuing for approximately three weeks)

On Monday, March 22, 2010, RTD will begin construction to improve the passenger boarding area on Pacific Avenue near Sherwood Mall. When the project is complete, RTD customers will enjoy a more comfortable and attractive boarding area with a new bus bench and shelter. Thank you for your patience during construction.

Effective mid-day on Friday, March 19, 2010, the stop on northbound Pacific Avenue (between the mall entrance just north of the Elephant Bar and the Sherwood Mall marquee sign) will be temporarily moved and pedestrian traffic will be re-routed around this area during construction.

Routes **23, 63, and 65** will temporarily stop on Pacific at Yokuts (Sears Tire Center side) and **Route 93** will board customers traveling to Lodi at the Mall Transfer Station (Macy's side), Shima 1 Parking Lot, and Pacific at Robinhood (Macaroni Grill).

Please see the signs posted at the Mall Transfer Station on Pacific and Yokuts Avenues.

This project is made possible by The American Recovery and Reinvestment Act, "Your Money at Work."
